A straight-ticket vote doesn't cover the whole ballot

One straight-ticket mark votes for your party's candidates in Sections 2 and 3. It skips everything tagged

NOT STRAIGHT TICKET:

Public questions (Section 1)

Township board and school board (Section 3)

Judicial retention (Section 4)

If you vote straight ticket, any race in Sections 2 and 3 where your party has no candidate gets no vote. You CAN cast a vote in those races yourself. You CAN also CHANGE your vote in any single race after choosing the straight-ticket option.
